

That's Not My Name

The Ting Tings

Four letter word just to get me along
It's a difficulty and I'm biting on my tongue and I,
I keep stalling, and keeping me together
People around gotta find something to say now Holding back, everyday the same
Don't wanna be a loner
Listen to me, oh no, I never say anything at all
But with nothing to consider they forget my name, ame, ame, ame They call me Hell
They call me Stacey
They call me her
They call me Jane That's not my name
That's not my name
That's not my name
That's not my...name They call me quiet
But I'm a riot
Mary-Jo-Lisa
Always the same That's not my name
That's not my name
That's not my name
That's not my...name I miss the catch if they throw me the ball
I'm the last chick standing up against the wall
Keep up, falling, these heels they keep me boring
Getting glammed up and sitting on the fence now So alone all the time at night
Lock myself away, listen to me, I'm not
Although I'm dressed up, out and all with
Everything considered they forget my name, ame, ame, ame They call me Hell
They call me Stacey
They call me her
They call me Jane That's not my name
That's not my name
That's not my name
That's not my...name They call me quiet
But I'm a riot
Mary-Jo-Lisa
Always the same That's not my name
That's not my name
That's not my name
That's not my...name Are you calling me darling?
Are you calling me bird?
They call me girl

(Are you calling me darling?)
They call me girlThey call me Stacey
They call me her
They call me JaneThat's not my name
That's not my name
That's not my name
That's not my...nameThey call me quiet
(Are you calling me bird?)
But I'm a riot
Mary-Jo-Lisa
Always the sameThat's not my name
That's not my name
That's not my name
That's not my...name...
