That's Not My Name

The Ting Tings

Four letter word just to get me along It's a difficulty and I'm biting on my tongue and I,

I keep stalling, and keeping me together

People around gotta find something to say nowHolding back, everyday the same

Don't wanna be a loner

Listen to me, oh no, I never say anything at all

But with nothing to consider they forget my name, ame, ame, ameThey call me Hell

They call me Stacey

They call me her

They call me JaneThat's not my name

That's not my name

That's not my name

That's not my...nameThey call me quiet

But I'm a riot

Mary-Jo-Lisa

Always the sameThat's not my name

That's not my name

That's not my name

That's not my...nameI miss the catch if they throw me the ball

I'm the last chick standing up against the wall

Keep up, falling, these heels they keep me boring

Getting glammed up and sitting on the fence nowSo alone all the time at night

Lock myself away, listen to me, I'm not

Although I'm dressed up, out and all with

Everything considered they forget my name, ame, ame, ameThey call me Hell

They call me Stacey

They call me her

They call me JaneThat's not my name

That's not my name

That's not my name

That's not my...nameThey call me quiet

But I'm a riot

Mary-Jo-Lisa

Always the sameThat's not my name

That's not my name

That's not my name

That's not my...nameAre you calling me darling?

Are you calling me bird?

They call me girl

(Are you calling me darling?)
They call me girlThey call me Stacey
They call me her
They call me JaneThat's not my name
That's not my name
That's not my name
That's not my...nameThey call me quiet
(Are you calling me bird?)
But I'm a riot
Mary-Jo-Lisa
Always the sameThat's not my name
That's not my name
That's not my name
That's not my name...
