

Walk On

Deep Purple

Yeah

If you don't like what you see
If you can do better than me
You better walk on And if the road before you winds
Obscuring all the signs
You better walk on You mean more to me
Just a pretty face
I won't hold you down
You need a little space If you don't like what you see
If you can do better than me
Better walk on Well, you know I don't like to fight
No matter who's wrong or right
You better walk on
You better walk on I don't mean to bring you down
If you prefer the other side of town
You better walk on
You better walk on You've been troubled
Sleeping through the night
Deal with it in the daytime
Then you can turn off the light And if you don't like what you see
If you can do better than me
You better walk on
You better walk on Oh, girl I tried
You know I tried
And while I cried you lied
Oh, you better walk on Well, the heart inside me burned
And the world around me turns
You better walk on
You better walk on You know it won't be right away
You know we'll meet again someday
You better walk on
You better walk on When the shine wears off
He's on to something new
Try not to think about
How good I was to you Well, if you don't like what you see
If you can do better than me
Oh, you better walk on
You better walk on, hey, hey You better walk on
You better walk on

You better walk on Walk on, you better walk on
You better walk on
You better walk on
Oh yeah yeah yeah yeah yeah oh
