Oh, It Is Love

Hellogoodbye

Oh, it is love
From the first time I set my eyes upon yours
Thinking, 'Oh, is it love?'
Oh, dear, it's been hardly a moment
And you are already missed
There is still a bit of your skin
That I've yet to have kissed
Oh, say, please do not go
Don't you know, oh, you know that I must
Oh say, I love you so
Don't you know you, oh, know you can trust
We'll be holding hands once again
All our broken plans, I will mend
I will hold you tight so you know
It is love from the first
Time I pressed my hand into yours
Thinking, 'Oh, is it love?'
Oh, dear, it's been hardly three days
And I'm longing to feel your embrace
There are several days
Until I could see your sweet face
Oh, say, wouldn't you like to be
Older and married with me?
Oh, say, wouldn't it be nice to
Know right now that we'll be
Someday holding hands in the end
All our broken plans will have been
And I will kiss you soft so you know
It is love from the first
Time I pressed my lips against yours
Thinking, 'Oh, is it love?'
Oh, your heart may long
For love that is more new
So when I'm gone
These words will be here
To ease every fear and dry up every tear
And make it very clear, I kiss you and I know
It is love from the first
Time I pressed my lips against yours

Thinking, 'Oh, is it love?'
Oh, it is love from the first
Time I pressed my lips against yours
Thinking, 'Oh, is it love?'
Oh, I kiss you and I know
It is love from the first
Time I pressed my lips against yours
Thinking, 'Oh, is it love?'
