

Rich Girls

Down with Webster

Your a rich girl and its gone too far
'cause you know it don't matter anyway
say money, money wont get you too far, get you too far

It feels like we haven't seen each other in years
why don't you join me for a couple of beers? clink! cheers!
wow, I seen you on my Facebook profile
sendin' me a message endin' off with a smile.

so, how's your dad doing, still rakin' in that doh, huh?
your suppose to laugh that's a joke, hun'
i like to poke fun, so don't take it to the heart
last time i heard you went to school studying art.

so what?! you dropped out, now you work at the bar
but I thought you had it made a big house with a car
Im'ma try to get paid for what I say on stage,
if your already paid then I guess you got it made.

You're a rich girl and its gone too far
cause you know it don't matter anyway
you can rely on the old man's money,
you can rely on the old man's money
its a bitch girl and its gone too far
'cause you know it don't matter anyway
say money, money wont get you too far, get you too far

we're together now we haven't seen each other in days
I'm on the road tryin' to make my way, OK!
'cause goin' out to clubs ain't cheap
and neither are the clothes on your back
or the shoes on your feet, girl

your daddy got the doh that's right, his paper,
he be breakin' you off, yeah, off.
But I got ma own to blow ya know

in her world, a boat's a yacht, a king size bed's a cot, and a million's not a lot.
I'm just tryin' to get paid for what i say on stage,

but if your already paid, then i guess you got it made

you're a rich girl and its gone too far
'cause you know it don't matter anyway
you can rely on the old mans money,
you can rely on the old mans money
its a bitch girl and its gone too far
cause you know it don't matter anyway
say money, money wont get you too far, get you too far

there ain't no justice in the halls,
I saw the writing on the wall
dads moneys gonna to back it up girlfriend,
dads more than just to back it up, girl

I saw you headed for a fall,
I was the one who made the call
dads moneys gonna back it up girlfriend,
dads more than just to back it up, girl

(x3)

Your a rich girl and its gone to far
cause you know it don't matter anyway
you can rely on the old mans money, you can rely on the old mans money
its a bitch girl and its gone to far cause you know it don't matter anyway
say money, money wont get you too far, get you too far
