Rise or Fall

Lost Tribe

Take action
Gotta raise a fist in blood
Domination
Can't continue acting like jerksYou show me all there's a chance
With only words for defence
There is no freedom to speak, noRise or fall
Number one to take the stand
Rise or fall
Take a word from this promised landYeahYour reaction
Sticks and stones are no match for steel
This rebellion
Revolution's in your handsNow listenSo it's part Apache
Do you know what that means?
Is it a segregation?Rise or fall
Number one to take the stand
Rise or fall
Take a word from this promised landStrength in numbers can alter your place
Take the action before it's too late
Make a standGive it upRise or fall
Number one to take the stand
Rise or fall
Take a word from this promised landRise or fall
Number one to take the stand
Rise or fall
Take a word
Take a word from this landRise or fall
Rise or fall
