

# Rise or Fall

## Lost Tribe

Take action  
Gotta raise a fist in blood  
Domination  
Can't continue acting like jerks You show me all there's a chance  
With only words for defence  
There is no freedom to speak, no Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land Yeah Your reaction  
Sticks and stones are no match for steel  
This rebellion  
Revolution's in your hands Now listen So it's part Apache  
Do you know what that means?  
Is it a segregation? Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land Strength in numbers can alter your place  
Take the action before it's too late  
Make a stand Give it up Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word from this promised land Rise or fall  
Number one to take the stand  
Rise or fall  
Take a word  
Take a word from this land Rise or fall  
Rise or fall
