

Ricochet! (Nadastrom Remix)

Shiny Toy Guns

Welcome back to
Where I'm gonna have you
Shell shock, fall back
Anyone I see through.
Watch your head spin
Like a mesocyclone
Bouncing off the walls
Now there's nowhere to run Like a bullet, meant to be shot
You're the target
Dead on the spot
When I focus, I never miss
It starts with a kiss [Chorus: x2]
She ricochets
And you don't notice.
She's in your head
And you just don't notice. Let the sweat fall
Find me in the back stall
Let it snow down
Now we're gonna deck halls
I hit the bulls eye
Making all the boys cry
I hit the main line
Breaking through the night sky Like a bullet, meant to be shot
You're the target
Dead on the spot
When I focus, I never miss
It starts with a kiss [Chorus]
