Wham Bam

Clooney

Oh, oh oh oh, oh oh o-oh [x4](open the door)Friday morning on the train
I got my black suit on my office pumps again
Work is such a bitch she wants it yesterday
Nobody hears a word I say (say, say)Can't wait for the time
When I can shed my skin
You can't read my mind
But if you're wonderin'I'm somebody else
You ain't met me before
I'll put my real face on
And open the door...Wham bam here I am!
Goddess of the glitter glam
Yes catch a breath,
Gotcha eating out of my hand
Wham bam thank you mam!
Now I'm here the party is on
Wow check me out
Don't know what you've got till it's
Gone...Friday nights were made for this
I got my red dress on with slits right up the back (back, back)
Lipstick check, hot cherry red, a perfect ten
And there ain't nothing wrong with that (that, that)DJ knows what to play
Needle droppin the sounds
Pump the beat through my veins
Ain't no stoppin me now
Takin over the room
When I'm out on the floor
Get your game face on
And open the door...Wham bam here I am!
Goddess of the glitter glam
Yes catch a breath,
Gotcha eating out of my hand
Wham bam thank you mam!
Now I'm here the party is on
Wow check me out,
Don't know what you've got till it's -Wham bam here I am!
Goddess of the glitter glam
Yes catch a breath,
Gotcha eating out of my hand
Wham bam thank you mam!

Now I'm here the party is on
Wow check me out,
Don't know what you've got till it's
Gone...Yeah that's right... you got something to show me?
Come over here then...Boys they really like me
Girls all wanna fight me
Looking for some action
Give it up, live it up
Turn the freakin' music up!oh, oh oh oh, oh oh oh oh o-oh
oh, oh oh oh, oh oh oh oh o-ohWham bam here I am!
Goddess of the glitter glam
Yes catch a breath,
Gotcha eating out of my hand
Wham bam thank you mam!
Now I'm here the party is on
Wow check me out
Don't know what you've got till it's -Wham bam here I am!
Goddess of the glitter glam
Yes catch a breath,
Gotcha eating out of my hand
Wham bam thank you mam!
Now I'm here the party is on
Wow check me out
Don't know what you've got till it's
GONE!(oh, oh oh oh, oh oh oh oh o-oh)(you don't know what you've got till its gone)(oh, oh oh oh, oh oh oh oh o-oh)(til' its gone, gone, gone, gone, gone, baby, gone, gone, gone, gone)
(til' its GONE!)(oh, oh oh oh, oh oh oh oh o-oh)Gone.
