The Boys

Dragonette

I like them, black boys, I like them, white boys
I like them, Asian boys, I like them, mixed race boys
I like them, Spanish boys, I like Italian boys
I like them, Brazilian boys, I like Porto Rican boys
I like them, tall boys, I like them, short boys
I like them, brown haired boys, I like them, blonde boys
I like them, big boys, I like them, skinny boys
I even like those scrawny Scottish into pop music
But not like sorta, like pop dance electro music
Baby, baby, I've got a lot of love to give
But lately, lately
I'm over-subscribed with relationships
But you got, you got
A special something I ain't seen before
But I must warn ya
That I can't help but play around, for sure
For sure, for sure
'Cause I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
Maybe, maybe I can learn to settle down one day
(Learn to settle down one day)
Right now, right now
I'm living life to mess around and play
(Living life to mess around and play)
'Cept you got, you got
A special something I ain't seen before
But I must warn ya
That I can't but help but play around, for sure
I've done it before
I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
I've got all the boys, I got all the boys
Hot dog, god damn, mmm, take a look at him
(Black boys)
Hot dog, god damn, mmm, take a look at him
(White boys)

Hot dog, god damn, mmm, take a look at him
(Asian boys)
Hot dog, god damn, mmm, take a look at him
(Mixed-race boys)
I like them, tall boys, I like them, short boys
I like them, brown haired boys, I like them, blonde boys
I like them, big boys, I like them, skinny boys
Ya, ya, ya, ya, ya, ya, ya, ya, ya, hey
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
I get all the boys, I get all the boys
