

# Souvenirs

## Architecture in Helsinki

La, la-la-la-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la-la-la-la With an envelope we'll enter buildings we might touch  
I've got souvenirs but yesterday can't mean too much  
Have we missed an opportunity?  
Have we missed an opportunity? Whispers, Chinese leaves a message, leaves a metaphor  
For what once was gold and once was rich but now is poor  
Have we missed an opportunity?  
And the trees lean to lend  
Can I fold you in fourteen ways to depend not defend?
