No Shelter

Seether

Today you seem a little far away
I hate that I don't have the words to say
I'm bored with all the little games you play
A cage is never gonna make me stayIf we don't help ourselves we'll fall
I find no comfort in this worldI'll never find my way in a broken mind
No shelter for me
I'll never compensate just to keep you mine
No shelter for meAwake, I need a little comforting
I break my mind is sick of wandering
I'm yours, I love it when I'm suffering
Too late, I don't believe in anythingIf we don't help ourselves we'll fall
I find no comfort in this worldI'll never find my way in a broken mind
No shelter for me
I'll never compensate just to keep you mine
No shelter for meThere's no shelter here
There's no shelter, no way outI'll never find my way in a broken mind
No shelter for me
I'll never compensate just to keep you mine
No shelter for meI'll never find my way in a broken mind
No shelter for me
I'll never compensate just to keep you mine
No shelter for me
