

I Can

Halloween

May I take you higher
Feed well your desire
We won't be forgotten
Foes left slain and rotten I will have my way as once before
Others stand in awe can't scorn at all I can, I can, I can make it all again
I don't wanna lose, don't wanna go down
I can, I can, I can make the call again
Fulfill my dreams until I'm cured
I can Will I be the flyer
Keep you more inspired
Some will leave here shattered
Wish us tarred and feathered Show me anyone who doubts our ways
I will laugh out loud and I will say I can, I can, I can make it all again
I don't wanna lose, don't wanna get drowned
I can, I can, I can heed the call again
Can attain everything to leave you sure
I can Oh, I can
I, I, I, I can Leave me waiting years or strike today
Trample down the walls and pave your way I can, I can, I can make it all again
I don't wanna lose, don't wanna go down
I can, I can, I can make the call again
Fulfill my dreams until I'm cured
I can I can
I, I, I can
