Mr. Beasley

Corrinne May

You don't have to drive a fancy car
Don't have to quote me Shakespeare just to woo me
Yeah, I see your nervous laughter when you're trying
To crack some joke, well, you don't fool me
I'd like to see your eyes through those goggles
That you're wearing, don't try to hide away

Just be yourself, Mr. Beasley
I don't need your show of attitude
'Cause it's your soul
That makes me fall in love with you

You don't know this but I see you in the church
When you are praying, you just move me
And my friend Sue, she tells me you've been
Teaching kids for free, Mr. Philanthropy

That you're wearing, don't try to hide away
