# I Had a Dream (feat. Francesca Belmonte)

## Tricky

I took these smokes
And I don't understand
What you're saying, man
... skin I took
I float and I'm home with youAnd I lay 'cause I lack/like (?)
All the skin that you're in
Like your hands, like your soul
And the flow, like your sins
And I'm all kinds of blue
hmmmI had a vision last night
Grass was green, the sun was bright
Been ...
In a dream
What does it all mean
I've told you already
I walk through walls
Walk through the past and
Talk to soulsI hear them now
Hear what they sing
... is good
But I'm a kingI'm trying to keep control
Stop lying and clean my soul
Burn the suts so I bring the blues (?)
Loving much so I hope it soothes (?)hmmI took these smokes
And I don't understand
What you're saying, man
... skin I took
I float and I'm home with you
And I lay cause I lack/like (?)
All the skin that you're in
Like your hands, feel your soul
And the flow, like your sins
And I'm all kinds of blue
hmm
