See Me in the Mirror

Alice Cooper

See me in the mirror if you want to
See me in the mirror if you really want to
Maybe not too clear, but the face you'll see is mineDo you feel my eyes burning through you?
Do you feel the burn when my eyes see through you?
Do you see my eyes when they burn into your mind?And I can feel the teardrops hit the ground where I'm laid
I can feel you breathing while I sleep through the day
I see you in a vision in the dark with no light
Your soul may go to heaven, but your heart's mine tonightDo you feel my skin when you touch me?
Do you feel my skin when you reach and touch me?
Cold and blue and thin but it's still somehow aliveAnd you can feel my blood running through you
You can feel the rush of my blood run through you
You can feel the gush of my blood runs up your spineAnd I can feel the teardrops hit the ground where I'm laid
I can feel you breathing while I sleep through the day
I see you in a vision in the dark with no light
Your soul may go to heaven, but your heart's mine tonightSee me in your mirror if you want to
See me in the mirror if you really want to
Maybe not too clear, but the face you'll see is mineSee me in the mirror, mirror, mirror
See me in the mirror, mirror
See me in the mirror, mirror
See me in the mirror, mirror
See me in the mirror, mirror, mirror
