At the feet of Jesus my world changed
 Everything is brighter
 I see a picture of what i can be Life Will never flee from what i've seen
 Your heart is my desire
 I want to know You like the child You see Where can I run from Your love?
 You searched me and know all my heart
 If I climb to heights You'll be there
 If I make my bed in Hell
 You'll lead me home
 Before the earth existed You knew me
 You called me to be holy
 I will praise You for the way i'm me How precious are the thoughts You think of me
 Could anybody count them?
 They are greater than the sands by the sea Where can I run from Your love?
 You searched me and know all my heart
 If I climb to heights You'll be there
 If I make my bed in Hell
 You'll lead me home (You'll lead me home) 2x I open up my heart please search me through
 Does anything displease You?
 Lead me in the way of You cross
 Where can I run from Your love?
 You searched me and know all my heart
 If I climb to heights You'll be there
 If I make my bed in Hell
 You'll lead me home
