

Charity Case

Gnarls Barkley

(Oh ah)

Gi' gi' give it away now

Gi' gi' give it away now

Give it away now

Give it away now, I, I, I, I don't know what matters to you at this moment

But that's all that matters to me

How are ya?How are you?Knock on wood

Well I'm not doing so goodI thought you probably couldn't tell, although your worth it, I'm still not wellAnd I don't understand how I'm so understanding

I guess that that's all I can be

How are yaHow are you?I think I can help

But I can't help myselfShould I be happy if you need my help, I usually just keep to myself.Oh can't ya see

Oh can't ya see

If I help somebody baby there's mercy for me

Ah charity (And you, for you, one for you and you and you)Don't want to bother you baby but I'm bleeding to

Are you needing me like I'm needing you

Even my shadow leaves me all alone at night

Guess I need to start to take my own advice

Lalalala lalala la

Lalalala lalala laOh can't ya see

Oh can't ya see

Somebody's a liar who ever said that freedom was free

Ah charity(Oh ah)

Gi' gi' give it away now

Gi' gi' give it away now

Give it away now

Give it away nowOh oh

Alright

Yeah, I want to be your lady

Charity, you betta' give to somebody
