# The Rock Won't Move

## Vertical Worship

When the ground beneath my feet gives way
And I hear the sound of crashing waves
All my world is washing out to sea
I'm hidden safe in the God who never moves
Holding fast to the promise of Your truth
That You are holding tighter still to meOh, the Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock of our SalvationMy hope is in the promise of Your blood
My support within the raging flood
Even in the tempest, I can sing
I'm hidden safe in the God who never moves
Holding fast to the promise of Your truth
That You are holding tighter still to me
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock of our Salvation
Woah, woah, woah
The Rock of our salvationOn Christ the Solid Rock I stand
All other ground is sinking sand
The Rock won't move, the Rock won't move
And when darkness seems to hide His face
I rest on His unchanging grace
The Rock won't move, no, the Rock won't move
On Christ the Solid Rock I stand
All other ground is sinking sand
The Rock won't move, the Rock won't move
And when darkness seems to hide His face
I rest on His unchanging grace
The Rock won't move, no, the Rock won't move!
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone, no-o
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone

The Rock won't move and His word is strong
The Rock won't move and His love can't be undone!
The Rock of our Salvation
Woah, woah, woah
The Rock of our salvation
Woah, woah, woah
The Rock of our salvationLead me to the Rock
The Rock that is higher
That is greater
The Rock of our Salvation
Lead me to the Rock
The Rock that is Stronger
That is Stronger
The Rock of our Salvation
The Rock that is Jesus
The Rock that is Jesus
He will never move
The Rock of our Salvation
Though we are faithless
He is faithful!
Lead me to the Rock
Lead me to the Rock!
Lead me to the Rock
The Rock of our SalvationThe Rock won't move and His word is strong
The Rock won't move and His love can't be undone
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone, thank You, Lord
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone!
The Rock won't move and His word is strong
The Rock won't move and His love can't be undone!
The Rock of our SalvationWoah, woah, woah
The Rock of our salvation!
