Animal Needs (Plack Blague Remix)

The Faint

W dont need:
cars, pools, trophies, jewels
soap, straws, software to tell us we're lost
sermons, rules, prophesies ending in doom,
more like humans, more like meat, primitive culture for minimal needsWe've got animal needs, animal needsWe don't need:
cops, clubs, make up to find real love
bubbles(?), hell, perfume to mask our smell
dice, fame, coffee,names
toilets, trucks, luggage, muchWe've got animal needs
