last dinosaur

Dune

Ignore them, conceal them
'cause I'm in here, and they're out there
Sure you wanna know it? Sure you wanna go there?
If I knew you, if I knew her (go)I have made it
I can't face it
I am in there
You are out here
Why am I afraid to die?
When I see them, suffering (go)Be there, I'm too young now
I am on the run, where are we going to?
Hold on, I will be there soon
Bet they need you now, before you loose control
Beat them, as they treat me now
You are beating, up the wrong guy now
Told you, I swore an oath
I am the last dinosaur in congoWe are in there
You are out here
They should face me
When they break me
We are in there
You are out here
I am the last(1,2,go)Beat them, as they treat me now
You are beating up the wrong guy now
Beat them, as they treat me now
You are beating up the wrong guy nowBeat them, as they treat me now
You are beating up the wrong guy now
Beat them, as they treat me now
You are beating up the wrong guy now
