

# Blood And Honey

Amanda Lear

Midnight in the city and everyone's asleep  
See the shadow walking in the dark  
Here she comes  
She's all in black Long hair flowing down her back  
Gotta get her out of my mind.  
Honey  
I want to kiss you  
Honey  
Give me your head  
Honey  
I want to kiss you  
Baby Let me waste away upon your tender lips  
Oh  
She loves blood and honey She's got the devil in her eyes  
(She's got the devil in her eyes)  
She loves blood and honey  
They say nobody survives a deadly kiss Oh  
She loves blood and honey  
She's got the devil in her eyes  
(She's got the devil in her eyes)  
She loves blood and honey  
Devil is her love and it's the kiss of death to love her Now she's lonely walking down your street  
She's looking for a bite to eat  
When she loves she really leaves her mark Pain in her eyes and death in her smile:  
It's A one-way-trip to hell!  
Give in to desire and she'll put your soul on fire  
Velvety eyes and pearly skin  
When she'll knock at your door  
Your night will begin Oh  
I want to kiss you  
Baby I want to honey  
I want to kiss you  
Baby  
Got to kill the lady who loves blood and honey.  
Oh  
She loves blood and honey She loves blood and honey Honey  
I want to kiss you  
Honey  
Give me your head Oh

She loves blooa and honey
