

Loveblind

Dieter Meier

A man in love
is always a fool
he loses the mind,
he loses the coolHe loses his speech
that he yearns to reach
the heart of his love
the way up aboveHe's out of touch
but love is such
He's kicking in,
he starts to spinAn unexpected smile,
the blink of her eyes
he's acting stupid,
losing the CupidStarts to pretend,
definitely his end
the heart of love,
the way up aboveHe's out of touch
but love is such
He's kicking in,
he starts to spinShivering, stuttering
out of his minds
but nothing to lose...Loveblind,
Loveblind
Love blinds,
LoveblindLet me walk away,
got nothng to say
'cause I'm nothing less
then a man in the messLosing the cool,
the speech of a fool
the heart of his love
the way up aboveHe's out of touch
but love is such
He's kicking in,
he starts to spinShivering, stuttering
out of his minds
but nothing to lose...Loveblind
Love blinds,
LoveblindIn my wonders
when I go under
I shout and shout

with no way outHow should I know
which way to go?
Like a stone
I'm left alone
