

Get on Top

Red Hot Chili Peppers

Get on top
Get on top
Hit me (get on top) come get me I bite but she bit me
Gorilla cunt illa
Sammy D and Salmonella
Come with me 'cause I'm an ass killer
You're ill but I'm iller I'll malinge on your block and
Give the finger to a cop and
Pick a lock before I knock and
Set you up to get on top (Get on top) complications of a mastermind
Last temptation of my kind (get on top)
Extra planetary sign (get on top)
When do we align all in time (get on top)
Right on Get up, come sit up I light but she lit up
Grass hopper show stopper
The life of a wife swapper
Come with me 'cause I'm a big bopper
You do but I wopper Exterminate my cause
You want to draw some straws
Be the one to see my flaws
Make me bleed with painted claws (Get on top) complications of a mastermind
Last temptation of my kind (get on top)
Extra planetary sign when do we align (get on top)
All in time
Right on Get on top
Get on top
Hit me, come get me I bite but she bit me
Speed Baller Rhodes Scholar
Bottom bitch and a bottom dollar
Come with me 'cause I'm a free faller
You hoot but I holler I'll malinge on your block
Give the finger to a cop and
Pick a lock before I knock on
Set you up to get on top (Get on top)
