Bleeding Out

Korn

I'm staring at a face
I don't recognize
Rotten and replaced
Lifeless and benign
You can never say
That I didn't try
I can not erase
What's in my mind
I'm the one to give to you
I'm the one to break you thru
Anything you ever do will
Eat you up and impale you
I'm Bleeding Out
Been crucified by trusting you
Hate turns to shame
By praising you, adoring fool
I'm the one that set you free
Bound to burn for eternity 'cause
I'm Bleeding Out
You're never there when I need you
My thoughts they interlace
Been spun out for sometime
I wander in this maze
An act that is sublime

You can never say
That I didn't try
I cannot erase
What's in my mind
I'm the one to give to you
I'm the one to break you thru
Anything you ever do will
Eat you up and impale you
I'm Bleeding Out
Been crucified by trusting you
Hate turns to shame
By praising you, adoring fool
I'm the one that set you free
Bound to burn for eternity 'cause

I'm Bleeding Out
You're never there when I need you
I'm Bleeding Out
Been crucified by trusting you
Hate turns to shame
By praising you, adoring fool
I'm the one that set you free
Bound to burn for eternity 'cause
I'm Bleeding Out
You're never there when I need you
