Ignominious & Pale

Necrophagist

If it is to be only
an element of a whole,
to hide behind others
and form the eclipse of mind.
Ignominious And Pale.If it were to one
having nothing to tell,
this would equal
a state of being the one,
ignominious and pale.Fallen in the abyss of indignity,
doubt does not exist
or come into being. Pale...Incarceration of personality
is the sad inception of self-denial.
The one that denies the inner self
flees into deception.[Solo: Suicmez]Incarceration of personality
is the sad inception of self-denial.
