Like a Rocket

Lila McCann

Used to be the fastest thing in this whole town
Was a red Corvette with the top rolled down
But next to you on Blackhawk Hill
Makes that look like it standing stillI never felt like this with no one else
Yeah, when we kiss I have to brace myselfLike a rocket this love is breathtaking
Earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby, my heart ignites like a rocketYeah, so much emotion might seem radical
Completely unpredictable
We're puttin' passion to the test
And that's the part I love the bestEven gravity can't hold us back
There's nothing but the moon
And stars in our pathLike a rocket this love is breathtaking
Earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby, my heart ignites like a rocketThe kinda love we got
Is bigger than the both of us
Hold on, baby, three, two, oneLike a rocket, this love is breathtaking
Earth shaking, taking off
I can't stop it, can't get enough
Every single time I look in your eyes
Baby, my heart ignites like a rocketLike a rocket
Like a rocket
Yeah, oh, oh yeah
