

Wash Me Clean

k.d. lang

You swim, swim through my veins
Drown me in your reign
My desire carries no shame
My will, will harbour no pain
Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
Swim, swim through my veins
Drown me in your reign
Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
Drink, drink from my spell
Quench, love's drying well
Wash, wash me clean
Mend my wounded seams
Cleanse my tarnished dreams
