

# Polish Girl

## Neon Indian

It's been at least another year  
And still I haven't got the chance to say  
Always rolling off the tongue  
Never said but nearly sung about a million ways  
Every photograph and story  
Trickled through the lengthy web of friend  
I overthought but understood  
Distant look but looking good  
And not the other way  
But you fail to remember  
But you fail to remember  
Do I still cross your mind?  
Your face still distorts the time  
Do I still cross your mind?  
Your face still distorts the time  
With heat struck afternoons long through  
Those idle dreams go back to you  
Was this only in my head  
Just like most things go misread  
When overthought
