Death Of Me (Guillotine Remix)

Red

You tear me down
And then you pick me up
You take it all
And still it's not enough
You tear me down
And then you pick me up
I won't forget
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meI should have seen those signs all around me
But I was comfortable inside these wounds
So go ahead and take another piece of me, now
While we all bow down to youYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meI won't forget
I cannot forget this
I won't forget
I'll never forget this
I won't forget
I cannot forget this
I won't forget
I'll never forget thisYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me

You can heal me
But I'm still bleeding
And you'll be the death of me
