

# Sleep Song

Rooney

Sometimes I feel like I'll never fall asleep  
I feel helpless  
You can't help me fall asleep  
I like to dream  
But it scares me to think  
That at some point  
I'll forget when the dream beganI just got out of my bed  
Covered in sweat  
I was angry  
Cause you kept your hand on my chest  
Don't touch me  
I'm concentrating on sleep  
On what I'll dream  
But I can't keep my eyelids shutLook at me sleeping  
I'm really sleeping  
Look at me dreaming  
I'm so happyLook at me sleeping  
I'm really sleeping  
Look at me dreaming  
I'm so happy
