

# Everybody Wants To Rule The World

[Ken Boothe](#)

Welcome to your life; there's no turning back  
Even while we sleep we will find  
You acting on your best behavior  
Turn your back on mother nature  
Ev'rybody wants to rule the world It's my own desire, it's my own remorse  
Help me to decide. Help me make the most  
Of freedom and of pleasure  
Nothing ever lasts forever  
Everybody wants to rule the world There's a room where the light won't find you  
Holding hands while the walls come tumbling down  
When they do, I'll be right behind you  
So glad we've almost made it  
So sad they had to fade it  
Ev'rybody wants to rule the world I can't stand this indecision  
Married with a lack of vision  
Everybody wants to rule the world  
Say that you'll never, never, never, need it  
One headline, why believe it?  
Everybody wants to rule the world
