

# If Only in My Mind

Jill Barber

I must be dreaming again  
For it can't really be  
But who can blame me when I slip  
Back into that old fantasy  
My thoughts return once again  
To the one I left behind  
Where I can hold him in my arms again  
If only in my mind  
For only in my mind  
Can I be near him  
Since the day we had to part  
If I can't have him by my side  
Let me keep him in my heart I must be dreaming again  
For I'm content just to be  
Lost in some fairy tale of my design that only I can see  
My mind is playing tricks again  
Or perhaps it's being kind  
Where I can hold him in my arms again  
If only in my mind  
Each time I call out his name  
But he doesn't come to me  
But still I feel him all the same,  
He keeps me company  
For only in my mind  
Can I be near him  
Since the day we had to part  
If I can't have him by my side  
Let me keep him in my heart I must be dreaming again  
Each time I call out his name  
But he doesn't come to me  
But still I feel him all the same,  
My thoughts return to him  
The one I left behind  
Where I can hold him in my arms  
If only in my mind.
