I've Got the Music in Me

Boogie Pimps

Ain't got no trouble in my life
No foolish dreams to make me cry
I'm never frightened or worried
You know I'll always get by
I heat up, I cool down
When something gets in my way I go round it
Won't let life get me down
Gonna take it the way that I found it
I got the music in me
I got the music in me
I got the music in me
Yeah
I got the music in me
I got the music in me
You say that life is a circle
But that ain't the way that I found it
Gonna move in a straight line
Keeping my feet firmly on the ground
I heat up, I cool down
I got words in my head so I'll say them
Won't let life get me down
Catch a hold of my blues so I play them
I got the music in me
I got the music in me
I got the music in me
Yeah, yeah
I got the music in me
I got the music in me
I got the music in me
Feel funky, feel good
Gonna tell you I'm in the neighborhood
Gonna fly like a bird on the wing
Hold onto your hat honey, sing, sing, sing, sing
I got the music
I got the music in me
I got the music in me
I got the music in me
Yeah, yeah, yeah
I got the music in me

I got the music in me
I got the music in me
I got the music in me
I got the music in me
I got the music in me
Yeah, yeah, yeah
I got the music in me
I got the music in me
I got the music, pretty music
I got the music in me
Yeah
I got the music in me
I got the music in me
I got the music in me
Yeah, yeah
I've the music in me
I've the music in me
I've the music in me
I've the music in me
I've the music in me
I've the music in me
Yeah yeah
I've the music in me
I've the music in me
I've the music in me
Yeah yeah
I got the music
I've the music in me
Yeah
