

# Low

## R.E.M.

Dusk is dawn is day  
Where did it go?  
I've been laughing  
Fast and slow  
Moving in a still frame  
Howling at the moon  
Morning found me laughing  
Up and down, down  
Low, low, low  
Night suits me fine  
And morning suits me fine  
I've been so happy, happy  
Way up high, high  
In between  
Down below  
Low, low, low  
Low, low, low I skipped the part about love  
It seems so silly and low  
Low, low, low  
Low, low, low I said the morning  
It isn't your time  
Barefoot naked  
I can see your lines  
It doesn't bother me  
If you are right  
Your grass is grassy wet  
Your light white is bright, light, white  
Light I skipped the part about love  
It seems so shallow and low  
Low, low, low  
Low, low, low  
You and me  
We know about time  
We know how things go  
They come and go  
They live and grow  
They pass and go  
And glow and glow  
Up and down

High and low  
Low, low, low  
Low, low, low I skipped the part about love  
It seems so silly and low  
I skipped the part about love  
It seems so shallow and low  
Low, low, low  
Low, low, low I like your hands  
All full of glory  
All full of glory
