

# Oxygen

Tim Timmons

I came apart inside a world made of angry people  
I found a boy who had a dream, making everyone smile  
He was sunshine, I fell over  
My feet like bricks underwater  
And how am I supposed to tell you how I feel?  
I need oxygen  
Oh baby, if I was your lady  
I would make you happy  
I'm never gonna leave, never gonna leave  
Oh baby, I will be your lady  
I am going crazy for you  
And so I found a state of mind where I could be speechless  
I had to try it for a while to figure out this feeling  
This felt so right pull me upside down  
To a place where you've been waiting  
And how am I supposed to tell you how I feel?  
I need oxygen  
Oh baby, if I was your lady  
I would make you happy  
I'm never gonna leave, never gonna leave  
Oh baby, I will be your lady  
I am going crazy for you  
And you don't want to keep me waiting  
Staring at my fingers, feeling like a fool  
Oh baby, I will be your lady  
I will make you happy  
I'm never gonna leave, never gonna leave  
Oh baby, I will be your lady  
I am going crazy, yeah, oh, oh, oh  
Tell me what you want  
Baby, tell me what you need  
Anything I ask baby, give it to me  
Baby, give it to me, give it to me  
I came apart inside a world made of angry people  
I found a boy who had a dream, making everyone smile
