Save Me (Skinless Mix)

Damageplan

Save me from myself I call out
But no one hears my plea
Burn my candle fast from both ends
Nightmares grow from dreamsYou don't know
You can't see through my eyes
So you don't know me
You don't know
What's going through my mind
But can you help meSave me from myself
If you ever really cared
Save me from myself
Tell me you're not scaredIntensity that grows within me
Reflections of my pain
I'll create or I'll destroy
But either way it's always in my veinsYou don't know
You can't see through my eyes
So you don't know me
You don't know
What's going through my mind
But can you help meSave me from myself
If you ever really cared
Save me from myself
Tell me you're not scaredSave me from myself
If you ever really cared
Save me from myself
Tell me you're not scaredSave me from myself
If you ever really cared
Save me from myself
Tell me you're not scaredSave me, from me
Save me, from me
Save me, from me
Save me, from me
Save me, from me
Save me
Save me
Save me, from me
