Here With Me

Dido

I didn't hear you leave
I wonder, how am I still here?
And I don't wanna move a thing
It might change my memoryOh, I am what I am
I'll do what I want, but I can't hide
And I won't go, I won't sleep, I can't breathe

Until you're resting here with meAnd I won't leave and I can't hide, I cannot be Until you're resting here with meI don't wanna call my friends

For they might wake me from this dream

And I can't leave this bed

Risk forgetting all that's beenOh, I am what I am

I'll do what I want, but I can't hide

And I won't go, I won't sleep, and I can't breathe

Until you're resting here with meAnd I won't leave and I can't hide, I cannot be Until you're resting here

And I won't go and I won't sleep, and I can't breathe

Until you're resting here with meAnd I won't leave and I can't hide, I cannot be Until you're resting here with meOh, I am what I am

I'll do what I want, but I can't hide

And I won't go, I won't sleep and I can't breathe

Until you're resting here with meAnd I won't leave and I can't hide, I cannot be Until you're resting here

And I won't go and I won't sleep, and I can't breathe
Until you're resting here with meAnd I won't leave and I can't hide, I cannot be
Until you're resting here with me
