

# Andromeda (feat. D.R.A.M.)

## Gorillaz

When the passing looks to die for  
Take it in your heart now, lover  
When the case is out  
And tired and sodden  
Take it in your heart  
Take it in your heart Back to when it was cool  
'Cause there's no substitute  
Who even knows the truth?  
The truth, the truth Take it in your heart now, lover  
Take it in your heart, heart, heart, heart  
Take it in your heart  
Take it in your heart, heart, heart, heart  
Where it all goes down Outside, cold and ghosting out with jet lag  
I took it to the right man  
Took it all back  
When the courts were closing  
It was Bobby gracing  
I know that  
A bullet to the right man  
He pulled it back Caught in your eyes  
Stacks of lights  
Come streaming back  
Make it for the best times  
Growing pains, good times  
Good times, good times  
Good times, good times  
Good times, good times Take it in your heart now, lover  
Take it in your heart, heart, heart, heart  
Take it in your heart  
Take it in your heart  
Where it all goes down Andromeda  
Andromeda, Andromeda  
Take it in your heart now, lover  
Andromeda, Andromeda  
Andromeda, Andromeda  
Take it in your heart  
Take it in your heart  
Where it all goes down
