

# Zone

## John Frusciante

I'm in the zone, nigga  
I washed my face  
Me being prone to reverse and split in my ways  
They're enclosed offside see you  
You missed my fate  
They're off sides, oh if I could be you  
Wouldn't miss a day  
Up and collide with the plan  
One season don't understand  
What makes the one feel the essential sum of what is  
I see through the lens  
Don't go outside or within  
The vision extends to what I am given  
No more, no less  
I'm in the last part  
I'm in the first start  
You end me, we get down  
When you go up  
I'm within you  
My opposite is then round you  
Life's lines go down  
I'm around you  
And he is inside you  
When you go up  
I'm within you, baby  
My opposite is then round you  
Life's lines go down  
I'm around you  
And he is inside you
