Zero

The Suicide Machines

I'm not the same as I was when I was young
And neither are you
There's been a lot of changes in the both of us
You said you see that tooAnd I've wasted such a lot of time to find
I was looking at the wrong things
If it's an apology you're waiting for
You could wait a long timeAnd I've wasted such a long time to
Just to feel like a zero
Life really sucks ya know when ya
Yeah, you feel like a zero
I've wasted such a long time too
Just to feel like a zeroYou're not the only one who's held me in
You said I broke your heart
Would've been the the other way around when I was young
But sooner or later we've all got to grow upAnd I've wasted such a lot of time to find
I was looking at the wrong things
If it's an apology you're waiting for
You could wait a long timeAnd I've wasted such a long time to
Just to feel like a zero
Life really sucks ya know when ya
Yeah, you feel like a zero
I've wasted such a long time too
Just to feel like a zeroI don't know if I should tell you how I'm feeling
Chances are you'll laugh at me
And tell me that I don't know
What I'm sayin'It's not my fault
It's not my fault
It's not my fault
It's not my faultI'm not the same as I was when I was young
