

# All Kinds Of People

**Dionne Warwick**

Tall kind of people should get together  
With small kind of people should get together  
And talk to each other  
All kinds of people should reach out and help one another  
Old kind of people should try to listen  
To young kind of people  
Should try to listen and comfort each other  
All kinds of people should reach out and help one another  
Light kind of people should feel compassion  
For dark kind of people should feel compassion  
And care for each other  
All kinds of people should reach out and help one another  
Light kind of people should feel compassion  
For dark kind of people should feel compassion  
And care for each other  
All kinds of people should reach out and help one another

Hey, hey, help, one another, yeah  
Reach out, ohh, reach out  
Hey, reach out  
Oh, reach out and help one another  
Reach out, ohh, reach out  
Hey, reach out  
Reach out and help one another  
Reach out, ohh, honey, reach out  
Ohh, reach out  
Hey, reach out and help one another  
Reach out, reach out  
Reach out  
Reach out and help one another
