

funtime

Animals Within Animals

Fun

Hey baby, we like your lips

Fun

Hey baby, we like your pants

All aboard for funtimeFun

Hey, I feel lucky tonight

Fun

I'm gonna get stoned and run around

All aboard for funtimeFun

Last night, I was down in the lab

Fun

Talkin' to Dracula and his crew

All aboard for funtimeFun

I don't need no heavy trips

Fun

I just do what I want to do

All aboard for funtimeFun

Baby baby, we like your lips

Fun

Baby baby, we like your pants

All aboard for funtimeFun

Everybody we want in

Fun

We want some, we want some

All aboard for funtimeFun

Baby baby, we like your lips

Fun

Baby baby, we like your pants

All aboard for funtime
