# I Miss the Innocence

## Phil Vassar

Not a worry in the world
A crazy boy and pretty girl
Man, life was simple then
Nothin' that we had to do
And no one to answer to
'Til reality stepped inWe're growing up
We've changed so muchI miss the innocence, the way it used to be
The way that we outran the world 'til it caught you and me
I miss the way it was, the way we used to laugh
The way it felt to fall in love when dreams were all we had
Days like this, I miss the innocenceAnother morning, here I am
Between a deadline and traffic jam
And cursing all the signs
We didn't talk before I left
We're always busy doing something else
And lately that's been on my mindWe're always rushed
And there's no time for usI miss the innocence, the way it used to be
The way that we outran the world 'til it caught you and me
I miss the way it was, the way we used to laugh
The way it felt to fall in love when dreams were all we had
Days like this, I miss the innocence, oh yeahI miss the innocence, the way it used to be
The way that we outran the world 'til it caught you and me
I miss the way it was, the way we used to laugh
The way it felt to fall in love when dreams were all we had
Days like this, days like this I miss the innocence, ohWell, I miss the innocence
Ooh yeah
