

Remember Tomorrow

Metallica

Unchain the colours before my eyes,
Yesterday's sorrows, tomorrow's white lies.
Scan the horizon, the clouds take me higher,
I shall return from out of fire. Tears for remembrance, and tears for joy,
Tears for somebody and this lonely boy.
Out in the madness, the all seeing eye,
Flickers above us, to light up the sky. Unchain the colours before my eyes,
Yesterday's sorrows, tomorrow's white lies.
Scan the horizon, the clouds take me higher,
I shall return from out of fire
