

# Your Sister

## Sloppy Seconds

hey man, i kinda like your sister (yeah yeah yeah)

hey man, i hope that's cool.

hey man, i'm gonna lose my mind

every single time i find your sister,

suntannin by the pool.hey man, i wanna see her naked (yeah yeah yeah)

hey man, i'm always in her room

all alone when no ones there,

goin through her underwear

and hey man, i gotta see her soon.hey man, i wanna get her pregnant (yeah yeah yeah)

hey man, how can i resist her (resist her)

the day i give her a wedding band,

are you gonna be my best man?

and hey man, i kinda like your sister

i kinda like your sister

i kinda like your sister

i kinda like her!
