Xiu Xiu

Daniella,
don't say be tender first
and don't say teach me
before you get tied up for your first timeI'm not like that
I'm not so good you will want to
run away for usyour black hair is like black hair
mine I promise is a jerk's hair
your acne is like a pearl
mine I swear is a brimstoneI'm not like that
how is it you thought I might be?
