

After the Fall

Karl Valentine

After the Fall

After the fall
Where have you been
What does it mean
Are we still friends?
Now that you're gone
Where are you now?
What do you think?
As you remember me how?

And I don't know why, love does begin
And I don't know why, I am to blame
Tell me again, what is your name?
Are you a friend?
Is this the end?

I look back on love
The face that she wears
The years and the miles
All race through my head
Now who is the one
To follow along
To be with me here
Up till the end?

And I don't know why, love does begin
And I don't know why, I am to blame
Tell me again, what is your name?
Are you a friend?
Is this the end?
