Fall in Love

Candice Pillay

Tell my house goodbye
Tell him keep tight
Tell him don't be sad
It's gon be alright
I will not forget all our special time
All the special ed, especially the head
Dont forget to write
Always be polite
Left there on the gate
Dont believe the hype
Hope while I'm away
Things won't be so loud
Cause while you fall astray
I'm gonna fall in love
love x15
(fall in love) x25
We were thick as thieves
Such a dirty crooks
The money we got
Gotta put it on my books
Wrote some dirty rhymes
Cause I get dirty looks
Sorry things have changed
Sorry I've been hurt
My heart belongs to John
But I remember Doe
We used to have the fun
Get it on below
Oh those were the days
Now I must move on
You must fall away
I'mma fall in love
love x15
fall in love x25
