

# Concrete Waves (1)

## Kendra Morris

Did you ever had a concrete wave

Did you ever had a concrete wave

Did you ever had a concrete wave

    What it's say, what it's say

    Pay me cracks just next to

    Pay me cracks just next to

    Pay me cracks just next to

    Money was spent to

    What you do to feel me

Will bring one down just once sleep forDid you ever had a concrete wave

    Did you ever had a concrete wave

    On back to the golden

    Do the top my hand goes burn

With thoughts of you I never learnAh ah ah ah do you want em, noh

    Ah ah ah ah so you want me, noh

    Ah ah ah ah do you want em, no

    Ah ah ah do you want meDid you ever try to burn a breeze

    Did you ever try to burn a breeze

    Did you ever try to burn a breeze

        Like a it's not easy

        Have a little few too flame

        Have a little bit few to fire

        Have a little bit few fame

    Watch it burn watch it blame higher

        Won't I or quite alright

If you don't tell blaze hand tonightDid you ever try to burn a breeze

    Candles the trees

    Did you ever

        See grant see grants on your fine

If you can't whisper to some whineAh ah ah ah do you want em, noh

    Ah ah ah ah so you want me, noh

    Ah ah ah ah do you want em, no

    Ah ah ah do you want me
